

UNITED DANCE

Dress Code

Dress regulations will be enforced at all levels of class. Hair **MUST** be up, **NO** jewelry, and proper dance attire and shoes are required.

If proper dance attire is not worn - with hair up (for ballet, in a bun) more than 3 times, dancers will not be permitted to partake in any extra choreography (solos, duets, trios etc). **This includes proper dance shoes.** Dancers will be asked to call their parents to drop off dance attire if they show up without it. Dancers are permitted to leave their dance attire at the studio to avoid carrying it to school each week.

The following is a dress code for each discipline of dance. At the end of the document we have given some recommendations and examples.
