Students and parents are asked to consider the amount of extra time it takes to polish a routine. Students who are chosen should be rehearsing on their own time to a minimum of 2 hours/week. Students who do not have time should not accept extra choreography. Rehearsal times will be scheduled to suit the teacher/dancers and will be scheduled mostly during Friday-Sundays. A schedule of rehearsals will be emailed out at the end of October. If a dancer cannot make the scheduled rehearsals, it is up to the dancer to work with the choreographer on figuring out a new time. Please let your teacher know if you cannot make your practice - if no notice is given, there will be a \$25 missed fee. All extras require payment prior to starting.
